

TASKFORGE

We're not going to code software but it's kind of an open source project nonetheless. Be part of it:

DONATE YOUR OLD TEESHIRT, SHIRT, TOP, etc.

You know, that stuff in the back of your closet. You don't need it anymore. We do. Please.
Shirts with print or of fabric not suitable for printing are not accepted.

You will be attributed if you tag your donations. Your donations may be remixed and sold.
